Education

Harcourt Butler Technical University, Kanpur, Uttar Pradesh 2021 - 2025
Bachelors in Computer Science and Engineering
GPA: 8.83

Happy Model School, Varanasi, Uttar Pradesh 2019 - 2020
Intermediate
Percentage: 93.6%

Experience

Token Shield | SDE Intern (Remote) Mar 2024 - Jun 2024

- Utilized **Next.js** and **Material-UI** to build **responsive** and **dynamic user interfaces**, enhancing the overall **user experience**.
- Developed and implemented testing strategies, including **unit** and **integration testing**. Executed **80+ test cases** with an **8%** defect discovery rate, enhancing **user satisfaction** before release.

Vcariate | Problem Setter intern (Remote) June 2024 - July 2024

- Designed and developed **challenging coding problems** for company coding rounds, focusing on **algorithm based problems** and **clarity of problem statements**.

Skills

Programming Languages: C++, Python, HTML, CSS, JavaScript, Typescript
Libraries / Frameworks: Bootstrap, React.js, Next.js, REST APIs
Tools / Platforms: Express.js, Node.js, Git, GitHub, VS Code(IDE)
Databases / Technology: MySQL, MongoDB
Core Areas: Data Structures and Algorithms, Operating Systems, Database Management System, OOPS

Projects / Open-Source

Samvad | 🐙 Link **React.js, Node.js, Express.js, MongoDB, Socket.io, Stream API**

- Developed a dynamic chat application using **React**, **Node.js**, **MongoDB**, and **Socket.io**, featuring **group chat**, **one-to-one messaging**, **video calls**, and **document sharing**.
- Integrated **OpenAI** for **intelligent message suggestions** and used **Cloudinary** for seamless **document uploads**, significantly enhancing the **user experience**.

Hotel Management System | 🐙 Link | 📁 Live **Next.js, TypeScript, CSS, Sanity.io**

- Developed a Hotel Management System with features such as **room booking**, **user expense tracking**, and **detailed user information sections**, significantly enhancing operational efficiency and overall system performance.

Honors & Awards

- LeetCode Rating: 1889 (Knight) 🏆 | CodeChef Rating: 1630 🏆 | Codeforces Rating: 1391 🏆
- Secured Rank 217 among 31k+ in Starter 124 Division 3 (CodeChef)
- Secured Rank 567 among 42k+ in Starter 125 Division 3 (CodeChef)
- Secured Rank 805 among 40k+ in Leetcode weekly Contest 420
- Secured a semi-finalist position in the Blank Coding Challenge during the Technika event.
- Solved 1500+ problems on GeeksforGeeks LeetCode CodeChef
